# Over 100 Years of Using Our Voice For Change

## What is a Resolution?

A resolution is a document that outlines our members position on an issue or cause that is important to them. The full power of these documents is felt when each year, the CWL delegation meets with the federal government to advocate for our position on behalf of the thousands of women of the CWL.

As a member of the CWL, you have the power to:

1

Propose Your Own Resolution About an Issue or Cause You Care About

2

Vote On Resolutions to Move them Forward to the National Level

3

Increase Our Advocacy by Adding Your Voice to Thousands of Women Across the Country

4

Make a Difference in Your Community, Your Country and the World in So Many Other Ways

# *Examples of Recent CWL Resolutions*

From Catholic Family Values to Environmental Protection and even Nuclear Proliferation, our members have consistently advocated for important causes ahead of the curve. These highlights from recent years only scratch the surface of our rich history of advocacy.
